APPENDIX 8: BOARD DEPUTY CHAIR POSITION DESCRIPTION ................................................................................. 23
1. Overview

The appointment of Directors is governed by the provisions of the Superannuation Industry (Supervision) Act 1993 (SIS Act), Corporations Act, The CARE Super Pty Ltd Constitution, Prudential Standards and CareSuper’s Governance Framework. There must be equal numbers of member and employer representative directors. The CareSuper Board may appoint one or more independent directors. The Constitution includes provisions for the appointment and removal of Directors.

CareSuper works closely with Fund Member and Fund Employer organisations to maintain an effectively functioning Board to ensure that at all times the Board meets its statutory obligations and that individual Directors and the Board as a whole comply with the APRA Governance, and Fit and Proper Standards. The Board itself is ultimately responsible (SPS 510) for ensuring that directors collectively have the range of skills needed for the effective and prudent operation of the fund, and that each director has skills that allow them to make an effective contribution to Board deliberations and processes.

The Board consists of:

- 6 member representative Directors
- 6 employer representative Directors

The Board can appoint one or more Independent Directors.

2. Director role statement

A comprehensive Role Statement which is Appendix 6 for a CareSuper Director will be reviewed by the Remuneration and Governance Committee prior to the appointment of a new Director to ensure that its content reflects the current legislative and practical requirements. The Director Role Statement (and updates) will be provided to Fund Member and Fund Employer Organisations.

3. Director tenure

The normal term for a director is four (4) years however where an appointment is made to fill a mid-term vacancy the initial term will end upon the date when the retiring director’s term would have expired. Unless otherwise determined by the Board Directors may serve up to three full terms. At least one employer Director’s and one member Director’s term will expire annually.

The Board may decide to extend the tenure of a Director beyond three terms if it believes that the interests of members of the Fund will be best served by retaining the skill, experience and expertise of the Director for a period of up to one more term and where such extension would better manage the process of Board renewal and transition.

A Director may serve a maximum of one four year term as Chair subject to those terms being served within the three term maximum appointment for the Director.

4. External checks

Appointment as a Director is subject to a satisfactory Police Check, Bankruptcy Check and clearance from ASIC. Further checks may be carried out from time to time.

5. Gender representation

CareSuper seeks equal gender representation on the Board.
6. Attestation

CareSuper directors must complete an attestation upon joining the board and annually thereafter. The document secures current information, commitment to CareSuper training and professional development requirements and the attestation of the director that they understand and satisfy the legal requirements to act as a director.

The document includes:
- Personal details
- External directorships
- Identified potential conflicts of interest
- Trustee responsibilities
- Legislative requirements to act as a director
- Fit and Proper requirements
- Indemnification provisions of SIS
- Victimisation of trustee provisions
- Related party transaction provisions
- Related party disclosure requirements
- Fund membership provisions
- Professional Development matrix

7. Education and training

Director training requirements and opportunities are planned with regard to the outcomes of the annual professional development and skills matrix, and the Board review. Directors are required to have completed an approved external minimum qualification within six months of appointment if they do not already satisfy the Board’s requirements and undertake at least 30 hours of professional development each year including attendance at one major industry conference.

8. Fund member and fund employer organisations

Fund Member and Employer organisations support and promote CareSuper within the relevant employment sectors and are entitled, in accordance with the Constitution and fund governance framework, to nominate directors for appointment to the Board.

Consistent with the Fund’s support of the Representative Trustee System, the Chair/Deputy Chair will meet with senior representatives of Member and Employer organisations. In addition to briefing the organisations regarding general fund matters, these meetings ensure these organisations understand:
- the role of the trustee director and the time commitment and training required
- outcomes of the annual review of the performance of those Directors nominated by the entity
- the anticipated tenure of the current Director/s
- the skills/attributes needed in a replacement Director in the event of an expected departure.
9. Director nominee attributes

The attributes the Board seeks in its Directors and nominees for directorships are set out in the Fit and Proper Policy.

10. Independent Directors

10.1 Independent Directors may be appointed by the unanimous decision of the Board in accordance with the Constitution. Independent Directors may be removed if a majority of Employer or a majority of Member Directors votes to withdraw the appointment.

10.2 In deciding whether to appoint or re-appoint an Independent Director, the Board will have regard to the skills and knowledge required by the Board. In addition to independence from a Fund Member or Employer Organisation, the Board will take into account the length of association with the Fund which might lessen independence.

10.3 Independent Directors will serve a maximum of three four year terms. Should they retire mid-term, the board may replace them and the replacement independent director shall commence a four year term from the date of their appointment.

11. Appointment process

11.1 All appointments are subject to relevant clauses of the Constitution.

11.2 CareSuper is required to replace a retiring director within 90 days unless an extension is sought and approved by APRA.

11.3 With any vacancy, the Governance & Remuneration Committee will advise the Board of any skills and attributes that would enhance the operation of the board having regard to the Board skills matrix and Board review outcomes.

11.4 The Board will sign off on the skill set/attributes to be sought in a replacement director, and on the member/Employer organisation to make the necessary nomination.

11.5 Where a retiring Director has been nominated by an Employer or Member Organisation, the Chair or Deputy Chair will write to the organisation inviting one or more nominations for the upcoming vacancy and clearly enunciating any Board requirements including the commitment to equal gender representation. The letter will include:

- Confirmation that a position has become vacant.
- An indication of the skills and experience the Board specifically needs to complement those of the existing Directors. This list of skills will be derived from the Competency Framework – by reference to areas where the current Board considers its skills ‘underweight’ or where experience is vested in just one or two individuals (i.e. seeking to negate any key person risks and to meet the Board’s minimum acceptable collective competence level).
- The minimum requirements for Directors in terms of attributes and qualities.
- An outline of the minimum standards expected from Directors.
- Confirmation that CareSuper will not appoint as a Director any person who holds an existing Directorship or other office with another public offer super fund.
- A request for a resume to accompany the nomination and a description of how the nominee meets the competency requirement.
- A summary of the duties and responsibilities of a trustee, as encapsulated in the covenants described in section 52 of the SIS Act, to be made available to prospective candidates prior to nomination.
The Board’s policy on equal gender representation among the voting members of the Board.

The following documents will be included with the letter:

- Director Role Statement;
- Board Charter;
- Constitution; and
- Conflicts Management Policy
- Director’s Attestation

11.6 The Chair/Deputy Chair will also contact and discuss the appointment process with the senior officer of the nominating entity. The entity is expected to respond in writing proposing a nominee/s within 30 days (or subject to the agreement of the Board to an extension) of receipt of the formal communication.

11.7 Nominees must supply a resume including updated training and education records. They must also supply an expression of interest addressing the Director nominee attributes and provide any Directorships and interests which would be included in the Register of Interests.

11.8 On receipt of a nomination the relevant party (Chair or the Deputy Chair) will arrange to interview the nominee/s with at least one of the existing Directors of the same Member/Employer class as the vacancy. These Directors will properly inform and recommend appointment/non appointment to the remaining Member/Employer nominated directors.

11.9 In the event that appointment is to be recommended the Chair/Deputy Chair will ensure that the Chair/Deputy Chair not involved in the assessment is advised of the decision reached.

11.10 A Member Director shall be appointed on receipt of a memorandum signed by the holders of Member Shares; and an Employer Director shall be appointed on receipt of a memorandum signed by the holders of Employer Shares. The signed memorandum must be lodged with the Company Secretary and presented to the next meeting of the Board with the candidates resume seeking the approval of the Board to complete the appointment. Any appointment is subject to a satisfactory police check, bankruptcy check and check on ASIC orders. (A copy of the memorandum is enclosed as Attachment.)

11.11 Where a nominee is accepted by the Board, the relevant forms in the checklist will be provided to the successful candidate and APRA/ASIC notified as follows:

- APRA – within 14 days of appointment
- ASIC – within 28 days of appointment

11.12 The nominating Member/Employer Organisation must be advised of the Board’s decision within 30 days of receipt of the written nomination/s.

11.13 In the event that a nominee has not met the Board’s criteria the sponsoring entity will be requested to make a further nomination within a further 30 days and on receipt of such a nomination the process from Step 11.7 will be repeated.

11.14 In the event that an eligible Member or Employer Organisation fails to lodge a nomination, or fails to lodge a satisfactory nomination, the Board can approach alternative organisations or form a nominating committee comprised of existing Member or Employer Directors to nominate a person to fill the vacancy following the procedures outlined in clause 11.15.
11.15 Where the retiring Member or Employer Director was not nominated by an organisation, the remaining Member or Employer Directors, as the case may be, will form a committee to identify suitable candidates. In the case of an independent Director vacancy, the Governance & Remuneration Committee will act as the nominations committee. In all cases, nominations committees will be guided by the processes outlined in clauses 11.3 and 11.4 of this Policy. Nominations committees will instigate an active search to determine a pool of candidates who meet the selection criteria and gender balance objectives. In so doing, the committees may ask existing nominating organisations to put forward names of suitable people.

Having shortlisted and interviewed candidates, Member or Employer nominations committees need to gain the support of the holders of the A or B shares as appropriate to sign a memorandum in the prescribed format. The appointment will be made following receipt by the Secretary of the memorandum signed by the relevant shareholders and presented to the next available Board meeting for approval, along with the candidate’s resume in accordance with the procedure outlined in clause 11.10.

In the case of an Independent Director, the Governance and Remuneration Committee will make a recommendation to the Board to affect the appointment.

12. Induction

A new Director is required to undertake induction training. This will include meeting with the CEO and Executive Managers and undertaking AML/CTF training with the Compliance & Risk Team. Refer to Appendix 1 (Item 20) for a full list of induction contents. Part of the induction is also to complete the AIST Trustee Director Course as soon as possible after appointment, if the Director has not already completed the course.

13. Board renewal

In considering Board renewal, the Board acknowledges that it needs to remain open to new ideas and independent thinking while retaining adequate expertise. At the time of renewal, consideration must be given to whether directors have served on the Board for a period that could, or could reasonably be perceived to, materially interfere with their ability to act in the best interests of beneficiaries.

Prior to the expiration of every term the Chair and Deputy Chair will consider the following factors in determining whether a Director will be re-appointed:

- Continued support of nominating organisation or member/employer Directors
- Compliance with professional standards
- Areas of skill in the context of the Board as a whole
- Ability to meet the Professional Standards outlined in the Fit and Proper Policy
- Contribution to Board discussions and decision making
- Attendance record at meetings, and
- Whether he or she holds a position as Director of another public offer superannuation fund.

Some causes of vacancy are predictable. In such cases, CareSuper will work with nominating organisations to identify and train potential directors ahead of known director retirement dates.
13.1 A Director vacancy will occur if the Director:
   a) resigns that office by notice in writing to the Company;
   b) dies;
   c) is removed from office in accordance with any provisions in Constitution or of Relevant Law;
   d) is deemed not to meet the Fit & Proper requirements;
   e) does not comply with the Relevant Law or any policy requirement pursuant to the Relevant Law;
   f) becomes insolvent under administration;
   g) becomes prohibited from being a Director by reason of being a disqualified person;
   h) becomes of unsound mind or a person whose estate is liable to be dealt with in any way under the law relating to mental health;
   i) for more than six months is absent without permission from Directors’ meetings;
   j) having been appointed for a fixed term, that period expires without further extension by the Board;
   k) is subject to a notification to the Board by his or her nominating organisation that it wishes to withdraw its support for that Director, and having made enquiries, the Board is satisfied that such withdrawal of support is not for reasons which would be in breach of the Relevant Law or any other applicable law;

13.2 Independent Director - In addition to the items (a) – (j) noted above an Independent Director shall cease to hold office if a majority of the Member Directors or a majority of the Employer Directors vote to withdraw the appointment of the Independent Director.

14. Removal process

   In the event of there being any issues identified following the annual Board assessment or which would bring into question the re-appointment of a Director following the expiry of his or her first or second term, the following process will be followed:

14.1 The Constitution defines circumstances in which a Director may be removed from office and the circumstances in which a Director vacancy will arise.

14.2 Member Directors - a majority of the holders of the Member Shares may at any time by memorandum signed by all such Members and approved by the Board remove any Member Director and arrange for the appointment of another Member Director in his or her place in accordance with the provisions set out in the Constitution.

14.3 Employer Directors - a majority of the holders of the Employer Shares may at any time by memorandum signed by all such Members and approved by the Board remove any Employer Director and arrange for the appointment of another Employer Director in his or her place in accordance with the provisions set out in the Constitution.

14.4 Notwithstanding the Constitution, the following policies and procedures shall apply in relation to Directors who fail to meet the minimum Professional and Probity Standards or do not demonstrate the Key Director Attributes outlined in the Fit and Proper Policy.

   The Chair and/or the Deputy Chair will consult with other Directors as appropriate (including the Director(s) in question), consider the facts and decide together whether the issue is:
   • A Major breach
   • A Correctable breach
**A Major breach is defined as:**

An act, situation, omission or position that compromises the interests of Fund members, the integrity of the CareSuper brand, creates a regulatory breach, involves dishonesty or otherwise significantly affects the prudent management of the Fund or represents a Correctable breach where the behaviour or activity that gives rise to the breach is not addressed in an agreed timescale or where an action plan cannot be agreed.

Examples of a Major breach might include a Director’s name entering the public arena in unfavourable circumstances or failure to disclose a potential conflict and repeated absence from Board and Committee meetings.

**A Correctable breach is defined as:**

Any breach that does not fall within the definition of a Major breach, including minor failings that might hinder the sound management of the Fund.

Examples of a Correctable breach might include intermittent attendance at Board and/or Committee meetings, failure to demonstrate the Key Director Attributes (refer to Fit and Proper Policy) or failure to address documentation in a reasonable or timely manner.

14.5 Major Breaches

14.5.1 Where the Chair and / or Deputy Chair, in consultation with the other Directors (those that are not party to the breach) agree that the breach is major then the matter will be tabled for discussion at the next available Board meeting or at a specially convened meeting if deemed necessary by the Chair. The Chair or Deputy Chair will write to the Director and inform him or her that the breach is regarded as major and invite the Director to make a written submission to the Board to consider at the meeting. The Chair or Deputy Chair will also write to the organisation or body responsible for that individual’s nomination and inform them of the breach and the impending Board meeting. The Chair or Deputy Chair will decide whether the Director in question should be present at all or part of the meeting where the issue is tabled and will notify the Director of that decision. In any event, the individual Director will be excluded from any vote pertaining to the breach.

The remaining Directors will consider the facts, including any submission from the Director in question, and either:

- Concur that the breach is a Major breach.
- Classify the breach as a Correctable breach.
- Conclude that the issue does not represent a breach.
- Request more information.

14.5.2 If the Board concurs that the breach is a major breach then the Director is immediately removed from office. The Chair or Deputy Chair will write to the individual concerned notifying him or her of the decision. If applicable, the Chair or Deputy Chair will also write to main contact at the organisation responsible for nominating the Director notifying him or her of the decision and advising that a replacement will be sought in accordance with the Constitution.

14.5.3 If the Board concludes that the issue does not represent a breach then the work of the Board and Director will continue unaltered and without prejudice.

14.5.4 If the Board requests more information, then the Chair and / or Deputy Chair will gather the additional evidence and present that information to the Board again at the next available Board meeting.

14.5.5 In any event the Board will make a decision within three months of the matter being brought to its attention.
14.6 Correctable Breaches

14.6.1 Where the Chair and / or Deputy Chair, in consultation with the other Directors (those that are not party to the breach) agree that the breach is Correctable, then the Chair or Deputy Chair will, in the first instance, discuss the matter with the Director and request that the Director addresses the matter.

14.6.2 If the breach persists then the Chair or Deputy Chair will write to the Director and notify the Director that the situation is regarded as a Correctable breach. The Chair and Deputy Chair will arrange to meet with the Director as soon as possible. At the meeting the Chair / Deputy Chair will outline the nature of the breach and any material information substantiating the breach and notify the Director of two options:

1. To agree an action plan to correct the breach within a reasonable timescale (not exceeding twelve months). Failure to agree an action plan will automatically elevate the breach to a Major breach; or

2. To have the whole Board consider the issue and reach a judgment about whether a breach has occurred and the corrective steps to be taken to correct the breach. The Chair and Deputy Chair will decide whether the Director in question should be present at all or part of the meeting where the issue is tabled and will notify the Director of that decision.

14.6.3 The Chair and Deputy Chair will periodically monitor the Director’s progress against the action plan.

14.6.4 At the conclusion of the timescale for the action plan the Chair and Deputy Chair will review the Director’s progress and conclude whether the behaviour has been addressed satisfactorily.

14.6.5 If the Chair and Deputy Chair conclude that the performance or behaviour has improved sufficiently then they will advise the Director and no further action will follow.

14.6.6 If the Chair and Deputy Chair conclude that the performance or behaviour has not improved sufficiently then the breach will be elevated to a Major breach and the Policy applicable to Major breaches applied.

14.6.7 Upon resignation, notification must be provided to the regulators as follows:

- APRA – within 14 days of resignation date
- ASIC – within 28 days of resignation date

15. Vacancies

Any vacancy on the Board must be replaced within 90 days in accordance with SIS legislation.

16. Alternate Directors

16.1 Each Director except an Independent Director may appoint another Director to act as Alternate Director in his or her place either indefinitely or for any specified period.

16.2 In addition to 16.1 above, for the purpose of succession planning, a Director may appoint a person who is not a Director as his or her Alternate up to six months prior to his or her intended resignation/retirement subject to the following:

16.2.1 The person has the endorsement of the relevant nominating organisation as the appointed Director’s successor, if appropriate;

16.2.2 The arrangement and nominated person are approved by the Board;

16.2.3 The person meets the Fit & Proper requirements;
16.2.4 The person receives an induction including the rights and obligations of directors;

16.2.5 The person signs a confidentiality agreement to deal appropriately with information they come across in the course of their duties as an alternate director; and

16.2.6 The appropriate forms are lodged with the regulators.

16.3 An Alternate Director appointed under Clause 16.2 may be invited to attend Board and Committee meetings as required. An attendance fee or equivalent may be paid in accordance with the Remuneration Policy.

16.4 The Alternate Director is entitled to receive notice of all Directors’ meetings and if the appointor Director is not present at a meeting, the Alternate Director may attend and vote at that meeting.

16.5 An Alternate Director ceases to hold office immediately upon the appointor Director removing him or her or immediately upon the appointor Director ceasing to be a Director.

17. Leave of absence

Leave of absence may be sought by a Director for a period of up to six months in the event of lengthy illness of the Director or a member of his or her family or other extenuating personal or business circumstances. Directors seeking such leave should approach the Chair who will confer with the Deputy Chair. The Chair will then make a recommendation to the Board for approval. Arrangements for alternate representation will also be made. Remuneration arrangements are outlined in the Remuneration Policy.

18. Dispute Resolution

Where a dispute arises in relation to this Policy, the dispute will be handled by the Governance & Remuneration Committee as follows:

- Dispute to be documented in writing by the complainant and forwarded to Chair of GRC;
- GRC Chair to ascertain which provisions of the Policy apply to the complaint;
- GRC Chair to gather relevant information which may include seeking legal advice relating to the dispute and call a meeting of the GRC;
- Dispute to be reviewed by GRC and response prepared to complainant;
- GRC to report to the Board and/or refer unresolved complaint to Board.

19. Review of Policy

The Appointment and Removal of Directors Policy will be reviewed by the Governance & Remuneration Committee on an annual basis and the results of the review and recommendations reported to the Board. Any changes to the Policy will be subject to Board approval.

APPENDIX 6: DIRECTOR ROLE STATEMENT

CARE SUPER PTY LTD
ROLE STATEMENT

REPRESENTATIVE TRUSTEE BOARD
Not-for-profit superannuation funds, with their representative board structures, have a unique governance configuration. The mix of member and employer representation on trustee boards ensures that a fund has the benefit of a diversity of views, skills and experience. Representative directors have an important role to play, bringing their unique understanding of social, political, environmental and industry-specific issues into the decision-making process.

Appointment of directors who are not associated with the employer or member nominating bodies can create a different layer of perspective for the board and can also bring specialised skills.

The diversity offered by a representative board allows CareSuper to approach investments, member communications and service delivery in unique ways, resulting in superior outcomes and services for members. Opportunities exist in the representative model for a greater understanding of how diversity impacts on improved business operations, member satisfaction and financial performance.

LEGAL FRAMEWORK
Superannuation trustees are subject to Australian Corporations legislation, financial services law, trust law, as well as legislation specific to the superannuation industry, such as the SIS Act and its regulations. They must ensure they exercise their powers in accordance with the covenants found in the SIS legislation and accompanying regulations, which includes acting in the best interests of members of the fund. They must also comply with their own governing rules and trust deed. Where appropriate, trustees must also ensure they hold valid Registrable Superannuation Entity (RSE) and Australian Financial Services (AFS) licences and at all times remain compliant with their licence terms as required under the SIS and Corporations Acts.

RESPONSIBILITIES
In carrying out their responsibilities, CareSuper Directors:

- Operate in an ethical and competent manner at all times including managing actual and potential conflicts of interest.
- Ensure that the trustee company and the fund comply with all applicable laws.
- Act in the best interests of the beneficiaries in a manner appropriate to a prudent superannuation trustee.
- Develop and support cultures fostering accountability, commitment to long-term member returns, business integrity, creativity, transparency and relevant and effective disclosure and communication.
- Question strategy, performance and risk management controls.
- Exercise 'independence of mind' to provide effective leadership and stewardship of fund assets and members’ benefits.

The Board is entrusted to govern the fund’s investments and operations and to formulate policies and strategies to achieve these goals. A board must therefore ensure it is adequately informed of key investment and economic issues and is properly equipped to encourage management and service providers to strive for the best possible performance.

The board is responsible for governing the fund and can delegate functions, subject to proper oversight. Key responsibilities of a board are included in the Board Charter.
LENGTH OF TERM
Terms have a four year duration and may be renewed up to a maximum of three consecutive terms, subject to approval of the Board.

MEETINGS, PROFESSIONAL DEVELOPMENT AND TIME COMMITMENT
The Board meets regularly in accordance with the Board calendar from February through to December. The meetings are generally from 9.30am – 3.30pm and are held in Melbourne or Sydney.
The Board delegates to committees which meet regularly in accordance with their calendars.
Directors must serve on at least one but usually two committees.
Directors are required to participate in an induction program and complete the AIST Trustee Director Course prior to or as soon as possible after joining the Board. A Director is not required to participate if they have not already done so or completed another approved course.
Directors must complete at least 30 hours of professional development each year including attendance at a major industry conference. Director skills are assessed and a training plan developed to ensure all directors can contribute to Board and Committee meetings.

EXPECTATIONS OF BOARD MEMBERS
Directors are expected to:
• have a commitment to the underlying philosophy of Industry Super Funds;
• think independently and act collegiately;
• have an interest in superannuation, be prepared to work in a collaborative environment, have some expertise in either superannuation, finance, management, law, industrial relations or a related discipline, and have high level problem solving or critical analysis skills;
• have the available time to undertake this role diligently including completing pre-reading and attending and participating in all Board and assigned Committee meetings;
• attendance and active participation at all Board and Committee meetings.
• act honestly, in good faith and in the best interests of the Fund as a whole;
• promote CareSuper and be an advocate for the Fund;
• Participate in the induction program and familiarize themselves with the policies and procedures of CareSuper;
• Undertake 30 hours per year of professional development;
• Not allow personal interests or the interests of any associated person or organisation, to conflict with the interest of the Fund.
APPENDIX 7: BOARD CHAIR POSITION DESCRIPTION

Position Description

Position Title: Board Chair
Position Reports to: Board
Positions Reporting: CEO
Date last updated: November 2017

Fund Objective and Overview: To be widely recognised as a leading fund that delivers superior outcomes for professionally minded, aspirational people who value quality. We care for our members by protecting and enhancing their futures and creating a personal connection. The Fund’s key success factors are:

- Demonstrating superior quality and outcomes
- Building member and employer affinity
- Growth in funds under management

The Fund aims to maximise members’ benefits through sustainable investment strategies, offering investment strategies to meet members’ needs, maintaining low fees and by offering competitive insurance and ancillary products to complement superannuation savings in order to achieve better retirement outcomes.

The main functions of the Trustee office are to support the CareSuper Board, to develop and implement strategy, manage relationships with service providers as well as develop and direct strategies and processes for marketing, business development, customer experience, compliance, risk management and general administration of the Fund’s offices and non-financial assets. CareSuper maintains offices in Melbourne, Sydney, Canberra and Brisbane.

Internal Contacts: CEO
Company Secretary
Executive Team
Directors

External Contacts: Regulators eg. ASIC, APRA, ATO, AUSTRAC
Nominating organisations – employer organisations and unions
Superannuation industry associations
Material service providers (on occasion)
Consultants and service providers – eg. for Board review

Overview Of Role: The Chair is primarily responsible for the leadership and control of the Board of Directors and for oversight of Fund governance to ensure that the Board meets its obligations under the relevant Prudential standards and that decisions are made in the best interests of members and beneficiaries.
Specific Duties and Responsibilities:

In addition to the duties and responsibilities of directors, the Chair has specific roles within and outside the boardroom.

**Inside the Boardroom**
- Establish the agenda for board meetings in consultation with the CEO and Company Secretary.
- Ensure that the Board acts in accordance with its Charter.
- Provide clarity about what the board has to achieve, both in the long and short term.
- Provide guidance to other board members about what is expected of them.
- Oversee the setting, reviewing and implementation of the strategic direction of the Fund.
- Chair board meetings, ensuring they are effective in that:
  - The right matters are considered during the meeting (eg. strategic).
  - Matters are considered carefully and thoroughly.
  - All Directors are given the opportunity to effectively contribute; and
  - The board comes to clear decisions and resolutions are minuted.
- Brief directors in relation to issues arising at board meetings or relative to fund governance.
- Ensure that the decisions of the board are implemented as intended.
- Ensure that the board behaves in accordance with the Code of Conduct.
- Responsible for board and director evaluation processes and provide appropriate feedback to directors.

**Outside the Boardroom**
- Establish and maintain a positive and constructive relationship with the CEO to
  - Be kept fully informed of current events by the CEO on all matters that may be of interest to directors.
  - Be the major point of contact between the board and CEO.
  - Understand and review progress on important initiatives and significant issues facing the Fund.
  - Provide mentoring to the CEO.
- In conjunction with the CEO, undertake appropriate public relations activities and be the spokesperson for the Fund where necessary.
- Participate in annual member seminars.
- Initiate and oversee the annual CEO evaluation process.
- Maintain regular contact with the CEOs/Secretaries and Chairs/Presidents of nominating organisations.
- Represent the Board to regulators.
- Attend various functions and meetings to represent the Board and Fund.
Expectations

The Chair is expected to:

- Not allow personal interests, or the interest of any associated person or organisation to conflict with the interests of the Fund and its members
- Act honestly, responsibly and confidentially, with due care and in members’ interest at all times
- Attend board meetings fully prepared
- Comply with the legal and fiduciary responsibilities of a director
- Promote the organisation within the community
- Attend all Board Committee meetings
- Meet the annual minimum training hours
- Being an informed and active contributor at Board meetings

Skills and Attributes Required:

- Honesty
- Integrity
- Independent thinking
- Strategic thinking
- Collegiate approach
- Interest in and knowledge of Superannuation (policy, regulations, purpose)
- Preparedness to work in a collaborative environment
- Expertise in fields relevant to the Fund, such as superannuation, investments, finance, management, law, industrial relations or a related discipline
- High level problem solving or critical analysis skills
- Commitment and belief in the representative trustee system
- Commitment and belief in all profit to members superannuation funds
- Knowledge of corporate governance
- Effective communicator
- Emotional intelligence
- Commercial astuteness
