

Contribution authorisation form

IT PAYS TO TOP UP YOUR SUPER!

Having contributions deducted from your wages is an easy way to build your super.

Remember to stay under your contributions caps and you won't pay extra tax. Keep in mind if your employer pays any of your fees and/or insurance premiums, this will count towards your contribution caps. Visit caresuper.com.au/knowyourlimits to find out more.

Complete this form in blue or black pen using BLOCK LETTERS and tick where applicable.

Please deduct the amount shown above from my after-tax pay and forward that amount to CareSuper within 28 days of the end of the month that it's deducted from, as required by Section 64 of the *Superannuation Industry (Supervision) Act 1993*.

We need your tax file number (TFN) before we can accept your after-tax contributions. If you are uncertain about whether you have provided your TFN, you can check your MemberOnline account at caresuper.com.au/login or call **1300 360 149**.

Tick this box if you'd like to **opt out** of an existing payroll authorisation to make voluntary contributions.

Tick this box if you'd like to **opt out** of an existing payroll salary sacrifice agreement.

Your voluntary contributions may also make you eligible for the government co-contribution.

Salary sacrifice can be a tax-effective way of boosting your super if you're a high income earner. You should consider seeking professional financial advice about the best way to make contributions.
