Note:

1. Premiums for age-based cover are the same whether you are in the General, Office or Professional occupational category but the cover amounts differ depending on your occupational category. To change your occupational category, you must apply to our insurer, using our **Changing your occupational category** form.
2. Premiums shown are based on binary gender (male/female) pricing. If you do not identify as male or female, or if we are not advised of your gender by either you or your employer is based on the female gender.
3. Premiums shown include the insurance administration fee. References to 'premiums' in this form are references to the premiums and insurance administration fee that make up the costs of providing insurance cover.
4. Figures are rounded to two decimal places for disclosure only and actual premiums may differ due to the effects of rounding.
