

# Workplace seminars for your employees

Our team are here to support your employees on their journey to retirement.

## Seminar topics delivered by our super experts

### Take control of your super

Ensuring your super is working as hard as you do doesn't have to be difficult. We discuss why super's important, choosing a fund and some simple steps to take control of your super.

### Insurance inside super

We unpack why insurance is important to give you peace of mind and protect your loved ones if the unexpected happens, different types of insurance in super, and more.

### Insurance mythbusters

We address various myths and misunderstandings surrounding insurance cover such as, insurance is expensive, it's automatic through super, insurance companies don't pay out and more.

### Women and super

Women are retiring with less super than men. Without change, the gender super gap will continue. We explain, why it's not just a women's issue, steps to take control of your super and more. We encourage everyone to attend.

### Money management and investments basics

Presented by a qualified financial planner, this session covers the essentials of managing your finances, including budgeting, financial goals and planning, good vs bad debt, building wealth and more.

### SUPER 101: understanding your future

Aimed at employees new to the workforce or disengaged with their finances, we'll explain the basics of super, what it is, how it works and steps to make the most of your super.

### Investments

If you have a super account, you're already an investor. We explain how super is invested, unit prices and how they work, CareSuper's investment philosophy and investment options and where your employees can access helpful resources.

### Contributing to super

Making extra contributions (even small ones), can make a big difference to your super balance. We explore the different types of contributions, contribution limits, and how to make the most of tax concessions.

### Retire well

Aimed at those considering retirement in the next 10 years, we cover income in retirement, including how much you'll need, different types of income products and sources of income. We also explore what retirement might look like.

# One size doesn't fit all

We understand all workplaces are different. Your dedicated relationship manager will work with you to develop a seminar program that will resonate with your employees and align with your business needs.
