SUPER THAT WORKS FOR YOU.

Superannuation could be your main source of income when you stop working. So what can you do now to get it in the best possible shape for the future?

Here are some of the ways we can help you achieve your ultimate post-work lifestyle.

ACTIVE INVESTING FOR YOUR FUTURE

We invest with one goal in mind: to help you achieve the best possible lifestyle in the future. How do we invest for that? We use an actively managed and long-term strategy – driven by a proven investment philosophy. Plus, our team of experts is always looking for ways to boost your net returns.

HOW WE COMPARE OVER 20 YEARS

Compare CareSuper’s Balanced (MySuper) option returns to 30 June 2023.

Around 90% of our super members are in our Balanced (MySuper) option and over 10 years it's returned on average

8.04% p.a.

Please note: CareSuper’s 7-, 10- and 20 year returns are compound average annual returns. CareSuper returns are net of fees and taxes. Returns have been rounded to two decimal places.

Past performance is not a reliable indicator of future performance and you should consider other factors before choosing a fund or changing your investments.
